Draw what foods are on your dinner plate, and then complete another plate for the person who joined you at the dinner table. If there was more than one person who joined you for dinner, please draw what food is on their plate too. Are their plates the same as yours, or different?

If the client has picked one childhood photo of themselves, ask them to tape this inside the photo frame. Ask them to write the age they were and their name below the photo. If not, ask the client to draw themselves inside the photo frame.
